

WEST BAND BANDS

Excellence with pride – OCT 2015

HOMECOMING!

A busy weekend for the WBHS Bands

On the 2nd, the Marching Band performed at the school pep rally, Homecoming parade, football pep band, and homecoming field show. Thanks to everyone who helped to make it a successful weekend full of awesome music! Well done, band!

REMINDERS

Indoor Marching Concert and concert season transition

On Oct 27th, all WBHS bands will be performing in the auditorium for their Indoor Marching Scholarship Concert. This is the only ticketed event that the bands perform and is intended to raise money for summer band scholarships. Pink order forms are due back 10/26 to Ms. Duckert or Mr. Murphy. This concert is a big deal! Invite Grandma, Grandpa, cousins, and nephews! We are going to rock the house!

Besides the Marching Band's Christmas parades, the Oct 27th Indoor Marching Concert marks the end of marching/pep band season until spring. All band members will be playing a graded chair test in the next two weeks of school to determine a placement within their section (and for MB, in either Symphonic Band or Wind Ensemble). If a different instrument rental is needed, students should take care of this ASAP in order to practice for chair tests on their concert season instrument.
