WBHS Drumline Wins Competition!

First place at Fresh Coast Classic

For only the second year in a row, the drumline participated in the Fresh Coast Classic drumline competition at UWM. The competition was judged by professional percussionists, drumline instructors, and Milwaukee mayor, Tom Barrett. After a third place finish last year, the hardworking drumline took home a crystal trophy and a giant check. Thank you to everyone who made the trip to Milwaukee to support the students who participated. Congratulations to our drumline instructor Dave Muencheberg and the 2015-16 WBHS drumline! WE ARE WEST BEND!

Holiday Concert: Dec 15th

At 7:00pm on Tuesday, Dec 15th in the Silver Lining Arts Center, the WBHS concert ensembles will perform their annual Holiday Concert. This concert will include renditions of popular Christmas carols as well as music from holiday celebrations around the world. Admission to this event is free.

Quarter 2 Scales (For All Bands)

Instead of the typical in-school lesson requirements for quarter two, members in all bands are expected to perform 15 major scales for 1 point each. This can be done during regularly scheduled lesson times or before/after class (as they typically only take about 7-10 seconds each). Though the performance of each scale is fast, preparation takes time. If you start today, you can do 3 major scales each week to meet the January 15th deadline. Good luck!

Fundraising – Poinsettias, Coffee, and Dips

Poinsettias and coffee orders can be picked up in the East Cafeteria after the Holiday Concert. We will continue to accept and fill dip orders through Dec. 16th.
