

WEST BEND BANDS

Excellence with Pride – MAR 2016

Solo and Ensemble

THIS WEEKEND at WBHS

The time has come! This weekend, we'll be hosting the district S&E festival and we are excited to showcase the talent, hard work, and dedication here at WBHS in this adjudicated performance event. Here are some reminders about Solo and Ensemble:

- The band room **will not be available on Saturday** as it will be used as one of our event locations! Take your instrument home Friday and report to the Orchestra Room to stow cases and coats. This is our home base.
- Get **plenty of sleep and arrive early**. Plan to be at your event **10 minutes early** (sometimes they run late, sometimes they are ahead of schedule). Also, plan for 20-25 minutes of warm-up time. This is very important!
- Remember to have your judge's original copy ready to present to your judge. **All measures should be numbered** to match your individual part.

VOLUNTEERS

We are still in need of parent and student volunteers. Students can sign up for set up or take down times in the band room. Parents: if you are available to help out during the event, please do so by sharing your availability on the volunteer form located at <https://www.volunteersignup.org/AEW84>

SENIOR BABY PHOTOS

Every year our beloved band booster board members make commemorative posters for the Senior members of the band. Seniors are asked to bring in a baby photo which will be photocopied (and returned unaltered) to be used in their poster. Please turn these in ASAP.
