

WEST BEND BANDS

Excellence with Pride – APRIL 2016

Solo and Ensemble – Thank you!

Solo and Ensemble took place at WBHS last month and it was a blast! Though it always presents a challenge to coordinate and run, we had tons of fantastic volunteers who ensured that things went smoothly. THANK YOU THANK YOU THANK YOU! A special thanks goes out to **Becky Fleischmann**, our booster board events chair, whose hard work lead to a very successful festival.

...AND CONGRATS to the nearly 75 students who will be going to state this year! Go get em! Excellence with pride!

Spring Performances

Last week, our very own Concert Band received great praise from clinicians at the UWM Concert Bands Festival where they performed two of their Spring Concert pieces for a judging panel which included John Climer and Mark Norman, band directors at UWM Peck School of the Arts. We look forward to sharing those with you at our Spring Concert on **4/26**.

On Thursday (**4/14**), the Symphonic Band will embark on its annual Madison Capitol Rotunda Performance Trip and the Wind Ensemble will perform at the Mayville Band Festival on **4/27**.

SENIOR BABY PHOTOS

We are still missing senior baby photos! These are due by Wednesday of this week or Mr. Murphy will have to draw a picture of what he thinks you may have looked like as a baby.

We'll be scanning them in and returning them intact. Please write your band student's name on the back of the photo.
