

WEST BEND BANDS

Excellence with Pride – OCTOBER 2016

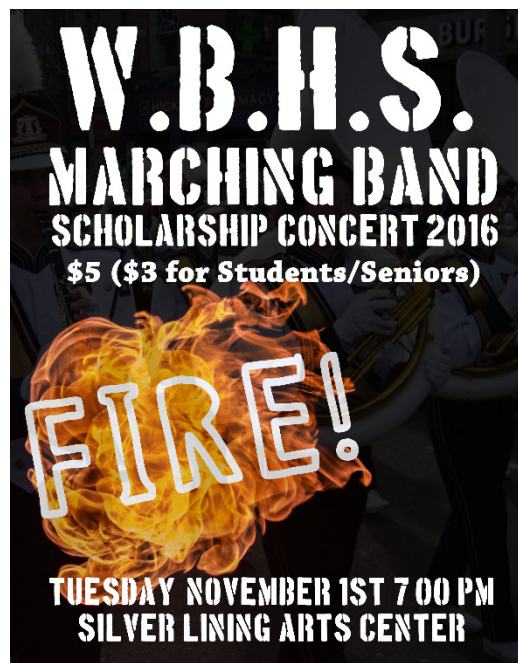

Well Done!

We've been veeeery busy this month with homecoming, pep bands, farmer's market performances, and are gearing up for our annual Indoor Marching Band Scholarship Concert. Thank you to everyone who contributed in some way to making those events a success!

Indoor Marching Scholarship Concert

Tuesday, November 1st at 7:00pm

In November ALL WBHS band students will perform together in our biggest concert event of the fall. The Indoor Marching Band Scholarship Concert features individual and group performances from color guard, drum majors, and other small instrumental groups as well as choreographed performances by the marching and concert band. This concert is a great way for the kids to demonstrate the wide range of skills we practice during marching/pep season.

This is our only ticketed event. The cost is \$5 (\$3 for students/seniors). This money will support our band scholarship accounts used to send students to summer music camps each year.

Advance ticket order forms have gone home with each band student. You do not need to pre-order tickets but it is strongly encouraged so that you do not have to wait in line on the night of the concert. Pre-orders are due back 10/26.

Upcoming Events

October 22nd
Famer's Market
Pep Band
