

WEST BEND BANDS

Excellence with Pride – FEBRUARY 2017

The Second Annual Rock & Jazz Fest

On February 16th, the West Bend Brass Band, PULSE Jazz Ensemble, Badger Jazz Band, and Silverbrook's Viking Attack pep band will play a free event in the Silver Lining Arts Center. This concert was designed to build connections between the jazz and rock-interested music students in the West Bend School district and promote awareness for the different types of co-curricular groups that are available to students at different levels of their music education. The concert will take place at 7:00pm and is open to the public. Please join us and support some very talented musicians from all three of our band programs.
