No Nonsense Performs at Badger MS

On Tuesday, WBHS Band members Spencer Hikade, Jake Clemetson, Connor Hall, Cody Clark, Nick Theisen, and Michael Novotny wowed the Badger seventh and eighth-graders with a lively brass band performance. As students begin signing up for classes for next year, this group of talented and motivated band members made a visit to Badger

to explain what the high school bands have to offer. After performing a song or two for each of six different band classes, the members of "No Nonsense Brass Band" explained the opportunities that the middle schoolers will have once they've arrived in the high school band program. Additionally, they shared memories of their favorite WBHS band moments and which experiences they look forward to most every year.

Lesson Deadline

Private lessons are an essential part of improving as a musician and happen to be a large portion of each student's band grade. As the lesson deadline approaches (Jan 12th), the lesson schedules that are hanging on Mr. Murphy and Mrs. Duckert-Kroll's door become much busier. Please plan ahead and be sure that you've scheduled a lesson to make sure you get the points you deserve for your hard work! *For 2nd-4th quarter, this requirement applies to ALL band students.*

Reminder-If you take private lessons outside of school, you'll need to make sure your teacher is signing off on your lesson progress each week. Don't forget to bring this in to a band director prior to 1/12 so that you can make sure you receive your full points for your lesson grade.
